To: Alexander Holtzman, Esq.

Date: October 1, 1973

From: T. F. Ahrensfield

Subject: Latest FTC Tar and Nicotine Report

Wickham
FYI
JR

Horace Kornegay advised me this morning that Russell Hatchl of the FTC had called him to advise that the tar delivery of Parliament King Size Filter was erroneously published in the latest report as 14 and it should be 15.

Kornegay told Hatchl that he had better advise us in writing to that effect. Hatchl said he would do that, and was publishing an errata list for submission to and publication by the Commission.
